

For your information and special offer only, your CHANCE & decision is entirely your own !!!!

Dear Sirs & Madams,

as our esteemed audience, which includes retirees as well as small and large business owners, private clients, board members, directors and agents,

I hope you are well. I would like to focus on the future and leave the past behind us because I have learnt a lot from it. I have a non-binding question for you: Would you perhaps be interested in being a sponsor at my rally on 08.10.2023 at the Opernplatz in Frankfurt am Main? Your company or your colleagues could act as supporters. I promise you that I will make your company and you personally very well known, which could lead to a considerable growth of your customer base.

I care deeply about my vocation and my message, which is to promote the values of freedom, peace, sovereignty, democracy, justice, equality, freedom of the press, climate protection and poverty alleviation. With your sponsorship of **only €25,000** (a comparatively small amount), I would ensure that your company is presented on an eye-catching poster, both to the left and right of the stage - and in double the size of my own offer at www.ajf1965.com/Sponsoren/. In addition, you will receive a VIP guest ticket from me. Already, more than 100 VIP guests, including politicians, ambassadors, celebrities and companies, have registered for this rally. In total, more than 18,000 demonstrators are expected, as well as numerous TV and radio stations and the press. This event will also become even bigger and better known in Berlin.

I would like to make you an extraordinary offer, where I will additionally sponsor your company free of charge. This unique opportunity only exists before the first rally on 08.10.2023 at the Opernplatz in Frankfurt am Main. My rally tour through Germany is becoming more and more valuable and well-known - don't miss this opportunity! Everything is already in full swing, so get on board now and, if possible, become part of this great undertaking as a sponsor today with a contribution of **just 25,000€**.

If you are interested, I would be delighted if you would write to me.

Yours sincerely, Anton Johann Feil Visionary
