

Dear Sponsors,

I cordially invite you to become a partner of our rally on 08.10.2023 in Frankfurt am Main. We stand up for important values such as freedom, peace, sovereignty, democracy, justice, equality, freedom of the press, climate protection and poverty reduction worldwide. By supporting musicians and artists, we will bring these issues to a big stage and present them to a wide audience.

As a sponsor, you have the opportunity to place your logo on our website and thus present your brand to an interested audience. By linking to your website, you can also generate targeted traffic and reach your target audience. Through this partnership, you will have the opportunity to put your brand in the spotlight as many TV stations, radio stations and press representatives will be on site. Your presence will be highlighted on our website <http://www.ajf1965.com/Sponsoren/>.

I am convinced that you will benefit enormously from this partnership as you will not only be able to expand your customer base, but also enjoy positive publicity. Please take the time to think about it.

Additionally, by attending our rally, you will be supporting important social causes and helping to bring about positive change. I look forward to your support and will be happy to provide you with further information.
